

**February 25-27, 2015**  
**Salt Lake City, UT**

The 5th International Conference  
on Coupled Thermo-Hydro-  
Mechanical-Chemical (THMC)  
Processes in Geosystems:  
Petroleum and Geothermal  
Reservoir Geomechanics and  
Energy Resource Extraction

## Become a Sponsor

Platinum Sponsor - \$10,000  
Gold Sponsor - \$7,500  
Silver Sponsor - \$5,000  
Bronze Sponsor - \$3,000  
Booth - \$2,000

## Focus Areas

- Unconventional Oil/Gas Development: Heavy oil, Shale oil, Tight gas, Shale gas, Oil shale, Gas hydrate, Coalbed methane, etc.
- Improved Oil Recovery: Thermal methods, Water and gas flooding, Chemical methods, etc.
- Geothermal Development: Enhanced Geothermal Systems (EGS), Supercritical systems, Hydrothermal, Thermal stimulation, etc.

## Conference Fees

Early Registration: \$480  
Registration after January 15, 2015: \$530  
*\$80 discount for ISRM delegates*  
*Half price registration for registered students*
